REACH Compliance Certificate

Netzer Precision Position Sensors A.C.S Ltd. certifies that, in conformity with the European Directive (EU) 1907/2006 about the regulation on Registration, Evaluation, Authorization and Restriction of Chemicals, its products are REACH compliant.

Netzer Precision Position Sensors A.C.S Ltd. have done a review of the current list of substances which are termed as SVHC's under REACH, and we report that, to the present and best of our knowledge and based on the information available to us from our suppliers, in our current products offered.

Sincerely,
Peretz Porat
Quality Manager
